

## Richard Joseph Dierschke

January 29, 2018

On January 29, 2018, Richard Joseph Dierschke passed away suddenly in Spring, Texas. Richard's life is best defined by the beautiful family and friendships he created. He celebrates three decades married to Julie Ann Dierschke, and their marriage is an inspiration to the loved ones he leaves behind – Katherine Renee, 28, and Joshua Richard, 27. His legacy is his family, and they will continue to live and love like Richard.

Richard is survived by parents, Floyd and JoAnn Dierschke of Houston, Texas and siblings Jackie Dierschke Clement and Kevin Dierschke, also of Houston. He will be especially missed by nieces, Brandi, and Mary Lynn, and nephews, Blake, Andy, Carter and Lake. They are almost too many Dierschkes to name, but the aunts, uncles, and cousins know they held a special place in Richard's world.

Richard is a 1983 graduate of Aldine High School and attended Sam Houston State University. His professional life was spent with Silver Eagle Distributors. He worked to build a life of integrity and loyalty best expressed by the longevity and success of his marriage and family. He leaves his world a better place.

A memorial service will be held at Northside Christian Church at 12:00 pm on Saturday, February 3rd. A reception will follow at 18411 Bull Pine Drive.
