

## Richard Stewart Weir

January 18, 2017

Richard (Dick) Stewart Weir, loving husband, father and friend, passed away on January 18, 2017 from complications arising from chemotherapy. He was supported in his final days by loving friends and family.

Dick was born in Hammond, Indiana, to Milburn and Grace Rebecca (Hall) Weir, the second of two children. He attended Clear Creek High School and graduated from Culver Stockton College in 1972.

The majority of Dick's career was spent in telecommunications where he served in many capacities, including Telecommunications Director for Texas Children's Hospital, setting up phone banks for the press corps for Super Bowl XII, and installing phone systems for new Hyatt hotels, including one in the Cayman Islands.

Dick was a master storyteller, life master bridge player, enthusiastic amateur golfer and avid NASCAR fan. He loved to drive and was proud of being second cousin to 3-time NASCAR champion Tony Stewart. He loved animals, socializing with friends, telling jokes and engaging in political debate.

Dick was a wise, caring and compassionate man who will be remembered by family and friends for his honesty, integrity and unwavering loyalty. He is survived by his wife Sharon Lyon (Houston, TX), daughter Emily Weir, her

fiancé Charlie Courville, and granddaughter Charly Courville (Sunset, LA).

Should friends desire, memorial donations may be sent to the Houston SPCA or the cancer research foundation of their choice.
