“ *To the Turner Family. Mrs. Turner was such a great MOM. I loved coming over and hearing her laughter throughout the entire house, makes me giggle a little now. I am so sorry for your loss. She holds a special place in my heart, one I will never forget.*

“ *My sympathy to all of you! Your mom knew she was surrounded by love every minute she was alive - not just when she was sick. You all should have no regrets - you did everything possible for her and you should take comfort in that. Love you all.*
