“ Bob and I worked together at Guaranty Federal Savings and Loan in Galveston. He and wife, Jane, immediately got involved with restoring one of the first East End Historical Homes. Next came volunteering for care of the Tall Ship Elissa, and they were part of the crew that sailed it to New York Harbor as part of the 100th birthday celebration of the Statue of Liberty. For some reason, I met his dad, who like mine, was in the life insurance business for major underwriterd.. I looked forward to having reasons to stop by and see him from time to time. He and my dad were cut out of the same thread. I liked Bob and Jans and Mr. Chapin a great deal. I'm sorry Bob has left us. -- Bill Cherry
