“ *I worked with Bobby in logistics with STK and remember him fondly. Although I only met him once we would talk on the phone almost daily and I would pick his brain for information. My prayers go out to his family at this sad time.*

“ *Nancy, Don and Brian, you all have our heart-felt sympathy and will remain in our prayers. It seems like such a short while ago that Bobby and Brian, and my Becky and David, were just little kids...always, each in their own way, loving and kind hearted,*
