To Rob's family...this is Suzette. I knew Rob in high school. Out of the blue, I dreamed about him last night, and then I searched his name online today and found this obituary to my deep and utter sadness. The last time we spoke was sometime in the mid 1990's. I am so deeply sorry for your loss. I wish I had still been in touch with Rob. Jennifer, James, please know that I am praying for you all. May his humor, love of piano and music, and his cute quirkie smile live in our hearts forever!
