“ I was shocked and very saddened to discover my school buddy had passed away. I attended Gold Coast Christian with him for 4 years and remember him well. He was always happy and had great skills as an artist. He always maintained a positive outlook and loved to make others laugh. I know he left a positive impact on all that were around him. I send my very belated condolences to his family and hope they take comfort in knowing Roger is with God and we will all be together again. God Bless.
