“ *Angela & Tim,*

Our hearts break for you.

The longest walk 'home' any parent will ever take is the one after their child has "run" ahead of them.

It is our hope that beautiful memories of Roger's journey will bring you comfort as you continue on your own.

You are not alone, please know we care and are here for you.

A donation has been made in Roger's memory to The Shriners Children's Hospital.

And don't hit the Angles with a baseball like you did me. I'm sure they wouldn't appreciate a blackeye. That's why I nicknamed you Roger Dodger.

“ I will truly miss running into Roger all over town. Everywhere I went I would run into Roger. We laughed about it I told him I see you more than I see my son. (Shelden Myrick) Roger was always welcome at our house growing up he was honestly the most considerate young man. So glad him and Shelden were great friends.
