“ *This feeling is surreal, I can't explain the thought of knowing you aren't here anymore. We didn't always see each other, but we knew we were always around. We were distanced growing up, and the memory of you, along with your sisters, as we were younger is a sacred memory that I will always have in my heart. I love you cousin, I always have and always will. I pray GOD took you into his arms and ended your suffering. May you rest eternally in peace.*

*Love,  
Ashley*
