

Roy Abner Parker Jr.

January 16, 1941 - April 7, 2021

Roy A Parker, Jr. , born January 16, 1941, passed away peacefully at his home on April 7. He was called by His Father to his forever, heavenly home. He was greeted by his parents, Roy Abner Sr., Robbie Holt Parker and his beautiful sister Dollie Hair and by Carol Parker. He will be missed by his surviving family – his wife June Parker, His children -Troy Parker and his daughter-in-law, Lisa Parker, Stephanie Hyman and son-in law, Randal Hyman, Lee Carrijo and son-in-law Fred Carrijo, his stepdaughters Stephanie Cox, Jenny Allen and son-in-law Shawn Allen, his 14 grandchildren and 8 great grandchildren, sisters Gerry and her husband Lee Bertillion, Frances and her husband Jim Larsen, and Ann Roznovsky, many nieces and nephews and by his devoted pets, Dollie and Sandy.

Roy was born and raised in Houston back when his neighborhood felt like a small home town. During his school career, he was active and excelled in sports including boxing, track and football. Roy served in the Navy for 4 years and during this period travelled the world. After serving in the Navy, Roy spent a number of years as a high voltage lineman working on and building high-line towers. Roy later went on to work with his father at Antique Brick & Supply Company, which he later owned and operated. Roy took great pride in the beautiful historical brick he supplied to builders and contractors in Houston and surrounding area. Roy then became a residential appraiser serving the Houston area during his last years of working before he retired to the full time endeavor of golf. Roy was passionate about everything he did and he was

able to participate in his biggest passion – golf- up till the day before he passed away. We will miss him, but we have faith that we will all be meeting again – in the presence of Jesus Christ, our hope and our Savior.

“ Darrell and I send our sincere condolences to you, June. How sad we were to hear of the news, and how fortunate that we can remember some good moments and laughs with you and Roy. Every time Darrell mentioned he was out to lunch with Roy, I'd ask, and what chicken fried dish did you order this time? We are thinking of you at this time.

“ I will miss you, “brother.” The banter, the laughter, your smile, your cooking, the shared love of fur babies, and the shared love of family. I’ll never forget how the one time you ever took me golfing, you said I couldn’t hit that far and you parked the golf cart in front of me. I bounced the ball off the top of the golf cart. You never took me golfing again. Yes, I will miss you, but I know you are healthy and happy and filled with love and joy now. I wouldn’t take that away from you for anything. So, I’ll look forward to bantering with you again when I see you with Jesus. I love you, “brother.”

“ Dear June and family,
One of the greatest blessings of moving to Windrose is to live next door to Roy and June Parker. Their picture is in Wikipedia under "Best Neighbors"! So many good memories. One of my favorites is when Roy rescued me from a big snapping turtle in our backyard! The turtle actually hissed at him but he picked it up by its shell and put it over the fence onto the golf course. Roy was such a dog lover - Rascal, Dollie, Sandy, and our own Lucky. Our Lucky loved "Mr. Roy" 100% in return. The last time I talked to Roy was thr Friday before he passed away when he got out of his patio chair to come pet Lucky through the fence. He said he had to show Lucky he loved her. Roy, you know you are perfect in Lucky's eyes. We are thankful for Roy and all he meant to us. From golfing together to talking over the fence, we will miss Roy so much but the LORD has Roy in His Heavenly care forever. Thanks be to God. We love you June & family!

“ I was playing golf with Uncle Roy, I hit a high 9 iron that landed very softly on the green, Uncle Roy said my "golf ball landed so softly like a butterfly with sore feet", I'll never forget that! RIP Uncle Roy.
