“ *It's heartbreaking to say goodbye to one of the few neighbors we've had over the past 33 years I've been alive. Sue, you were an awesome neighbor and an incredible friend to my mom. We are thankful that you two were able to share a room in skilled nursing*

“ *You will be missed. Thank God there will be no more pain. I was so happy I got to see you and John on my 70th birthday in Nov. It was the first time in a long time. It is such a small world. I had friends here I had known for over 47 years and you and Joh*
