“ *Some lives go on forever in the hearts and lives that they have touched. Sarah touched so many lives and the gift that she gave us will become a part of who we are. She was a legacy of beauty that lives on. Thinking of the family with love and sympathy.*

“ *So sorry to know we lost Sarah, she was always so full of life and joy, but I know she is in the presence of God and all her family and friends that have gone before her. I know my daddy was the first to welcome her. We love all of you very much.*
