“ *I knew Scott and his family while they were living in Illinois prior to moving to Texas. As teenagers our group of friends were inseparable. We shared laughter, love and sometime tears.*

Although our lives took separate paths, Those memories of friendship still remain.

As I reflect on those memories and the impact that Scott had on my life, I am grateful for the time we shared together.

He will always have a special place in my heart.

My deepest and most sincere condolences to the family,

Josephine
