

Sean Cruz

July 5, 1980 - May 18, 2020

On Monday, May 18, 2020, Sean Ray Cruz, loving husband and father of 8 children, passed away at the age of 39.

Sean was born July 5, 1980 in Galveston, TX to Raymond Cruz and Dianna Lynn Brown. On Sunday February 16, 2020 he married Jolyn Cruz. They raised two sons, Braden and Wyatt, and three daughters Briana, Kylea, and Shyanne.

Sean was a simple, kind, loving and enjoyable person. Everywhere he went he brought laughter and fun. His love for his family and love for Christ was strong. He loved being outdoors whether it be just fixing things or grilling. There was nothing he would not do for his children or his nieces and nephews even if it meant making himself look silly. If Sean could get 1 laugh out of any one in a crowd he was proud he made that happen. Sean was always willing to lend a helping hand to anyone in need and would not accept anything in return. Strong willed and soft hearted Sean would set aside any of his needs to provide help for others.

Sean was preceded in death by his son Payton Eli Cruz.

He is survived by his Wife Jolyn, his eight Children, Briana, Braden, Kyra, Kylea, Kaydence, Leroy, Shyanne, Wyatt, Mother Dianna, Father Raymond, Sister Stephanie, Brothers Lee, Dustin, Eric, Josh, Step-brother Steve as well as several nieces and nephews.

A few words to summarize Sean as a Son, a Brother, a Husband, a Father and an Uncle...

“ Our family was blessed with a beautiful grandbaby boy who was born 13 weeks early on April 3rd, 2020 all the while you were diagnosed with CJD. Our baby continued to lose weight for 4 weeks then things changed like a miracle our baby Jack started gaining 1 to 2 ounces per day but you were declining just as rapidly as Jack was thriving. They started trying to bottle feed Jack around May 15th but not taking a full bottle but on May 18th we know you gave everything you had left in you so he would be healthy and be able to come home to his family. Thank you Sean for the ultimate sacrifice you Gave Jack. On May 19th our baby Jack took his whole feeding and has everyday since that day. This baby was not expected to be able to come home until his original due date of June 27th. I'm very happy to say that he is coming home today May 27th exactly one month earlier than his expected home coming and only 9 days after you left us. This is totally Sean who loved babies, kids and people in general. We love you and are missing you so much already and everytime we look at Jack we will be reminded of your sweet soul. My dear sweet crazy nephew we love you so much and thank you again for watching over our beautiful baby Jack. Leelee

“ *Bub,I can't put into words the grief we are all feeling right now! I just know the world was a better place with you in it,but I also know that heaven must be beautiful & I know that it is beautiful with you there with all of our loved ones that are already in heaven & I do feel that you are no longer suffering. I can tell my mind that but I can't tell my shattered heart that yet. I know in time,I pray that we all find peace.We will miss your silliness, & always wanting to make everyone laugh at your goofiness. Most of all your big heart you had to help anyone & anytime that you could. Just know I will always love & miss you bub & will always be in my thoughts, prayers & my heart, you will never be forgotten my precious son..RIP until we are together again. Love always,Mom*
