“ I was privileged to have known Sergio for almost 30 years, many of which were during his employment at Gantrex. He served as Sales Manager-Latin America and was respected by both his peers and customers. Sergio was a gentleman, had a great sense of humor and was always a pleasure to be with. We had many phone conversations after his retirement.

He was also a devoted family-man, married to his “angel” Caroline whom he brought on numerous occasions to management meetings. They had a special relationship, and their strong bond helped them through the loss of their daughter, as well as their recent health problems.

I will miss you, my friend. Your memory will remain eternal --- Art Avlon

Sergio was my friend, my boss and teacher, mentor and almost a second father for me. Everything I learned and became on this business has to do with him. A unique person and very meaningful on my life.

Blesses to my dear Sergio, his memory will be eternal. His suggestions , advises will be always in my heart.

*My prayers and meditations will be with him on this transit,
