

## Sharon Rose Cuccerre

February 25, 1952 - September 18, 2025

Sharon Rose Cuccerre February 25, 1952- September 18, 2025 Sharon, where do we even start to share about this beautiful lady. Sharon was a bright light and a blessing, she had the most beautiful spirit, soul and laugh. She loved her family and friends in such a special way. She cared deeply for the young, the ill and neglected people and she made friends easily. She was blessed with a creative mind and used her talents to make amazing handmade gifts for all her loved ones. Every gift was well thought out and specific to their personality. She would say "just wait until you see what I am making you, you are going to love it", it was always a big secret. She loved her Disney movies and watched them repeatedly. Sharon loved outings such as parades, Rodeo, Sport events, going to the movies and shopping. Oh my how she loved to shop at Michaels and Hobby Lobby. She would tell several family members that she needed the same thing and then she would have multiples of those items, very smart. Sharon loved her cheeseburgers, french fries and cokes and how ironic that she passed away on National Cheeseburger day. God blessed her with a beautiful heart, she was FUN, LOVING, CARING and HAPPY. Sharon dearly loved her sister Christine and her brother Sam. She cherished every one of her family members, and we all knew how genuine her love was for us. To know her was to LOVE her. We will miss you.

Sharon is preceded in death by her parents, Mildred and Pete and her sister, Gertrude.
