“ *My prayers for solace go to Sharon Roark's family during this time of great sadness.
I will always remember Sharon and our working relationship during Houston Controls' bustling heyday. Whenever I walked to the manufacturing floor or wiring tables I would make a point to visit with her; we would soon trade anecdotes about work and life and I would depart more cheerful than I started.
I will keep Sharon in my heart for years to come.
Rest in Peace, Sharon, your Friend, Eric*
