“ *She was a wonderful person to know and was always willing to be a good friend to our family. She was a avid reader of many good books and her smile will remain my heart. I know she is with Jesus and that makes me happy that I will see her agian one day.*

“ *To the Mesa Family: Sheryl had a way of making me and my daughter smile even we had bad days. My daughter and I will always remember the kindness and love she gave us. May God bless you all in the Mesa family.*
