“ My dear Cousin Shirley.... it's so hard to believe that you have gone home. I always looked up to you as a child. You always had a smile bigger than the sun and you just lit up any room you walked into. You just brought joy into the world! I am so lucky that I get to call you family! My heart breaks for everyone you leave behind and I send my love and prayers to each of them. So sweet girl, until our paths cross again....
