

Steven Michael Lewis

December 5, 1966 - March 20, 2023

It is with great sadness that we announce the passing of Steven Michael Lewis on March 20th, 2023. Steve was born December 5th, 1966, at Mather Air Force Base in California. He went to school in Leon Valley, Texas; Okinawa, Japan and Rhein-Main, Germany, as he experienced life as the child of Retired Colonel John and Judy Lewis. Steve went to John Marshall High School in San Antonio and graduated from Texas A&M with a degree in Civil Engineering.

In College Station, he made lifelong friends with future work colleges and moved into the world of Oil and Gas, working in Pipe Coating with Bredero Price, later Bredero Shaw, and WASCO. In his career, he worked in North Africa, China, Europe, Russia, and Asia. His management style was to care for everyone, and he loved seeing good people do well. In 2005 Steve worked with his brother Andrew as they established Lewis Custom Builders.

In 2008 Steven married Catherine Livingston. The following year Alexandra Frances was born, Naomi Grace was born in 2010, and Olivia Ann in 2011. They built a home together and a family that was full of love. Steve cherished family vacations to visit grandparents in Florida and Scotland, he especially enjoyed sharing his history with his girls and entertaining them with PG versions of stories from his days in High School, College Station, and his travels around the world.

Steve enjoyed weightlifting and cigars, not necessarily in that order. He was always adamant that he could fix anything that broke, including the fence that

the dog, Colt, enjoyed destroying. He loved watching comedy shows and would fill the house with laughter at any given joke, even if no one else found it funny.

There are no right words to say when someone leaves this earth before their time, but I want to say this, Steve: son, brother, uncle, husband, and daddy; we love you, we miss you, and may God keep you and shine his face upon you and give you peace.
