

Susan Jean Pierce

September 17, 1946 - April 27, 2023

Susan Jean Pierce, 76 years old, of Houston, Texas, passed away unexpectedly on April 27th, 2023. Susan was born on September 17th, 1946 to Edward Michael Rekart and Cavie Doris (Powell) Rekart. Susan grew up in St. Louis, Missouri, and graduated from St Anthony's High School in 1964. After graduation, she started her job as a secretary at a large company in St. Louis. She had a knack for working quickly and efficiently and thus was able to organize and accomplish great tasks in a small amount of time; she demonstrated this ability repeatedly throughout her career, marriage, family relationships, and as a mother. Susan met her future husband, Marvin Rader, in St. Louis and later married him on February 21, 1969. Susan and Marvin moved to Houston and had 3 children Brett, Kevin, and Michelle. She was a loving mother who protected her children, spending countless hours reading books to them, entertaining them, and telling them Bible stories.

Susan was selfless. No one could question the love Susan exuded for her children and grandchildren. She loved spending time with her brothers and sisters. It didn't have to be a big affair; she valued quality time. She is preceded in death by her parents Edward and Cavie Rekart, and her granddaughter Felicity Martin. She is survived by her three children Brett Rader and his wife Andrea (Stone) Rader, Kevin Rader, and daughter Michelle (Rader) Martin married to Bobby Martin. She leaves behind her siblings Kay (Rekart) Kennedy, James Rekart, JoAnne (Rekart) Sever, Joe Rekart, Beth Rekart, and Kim (Rekart) Scheffield as well as her grandchildren

Allison Rader, Aimee Rader, Grant Martin, and Autumn Rader.

“ I babysat for her. Wonderful woman and loved her 3 beautiful, fun, loving, children! Sue did the most beautiful bridal shower for me before I married. Sooo sweet of her, I'll never forget it. She encouraged me in the Lord and I know He was her favorite One. ❤️❤️

“ *Missing your laugh but I can still hear it. Indulging myself every memory of you, every picture, reading all our silly texts. Our long and serious ones too. It doesn't seem real yet. I want to call you and tell you how amazing your kids & grandkids are right now, but of course I can't.*
Grateful you were my sister and missing you exquisitely.
