

Tailynn Brooke Hawkins

August 8, 2008 - June 9, 2022

Tailynn Brooke Hawkins, born 08-08-2008 left us on June 9, 2022. Tailynn was such a loving, caring person who would put away her own comfort to comfort others. Tailynn has a power and ferocity about her that was only matched by her compassion and empathy that she felt for every person she met. They say big things come in small packages; Tailynn's personality, and presence was definitely the biggest thing in a tiny package. She had a beautiful quirky personality that you couldn't not notice her. She loved technology and wanted to be a graphic designer but recently took interest in becoming a therapist. She loved to draw and had amazing sketches that she'd leave on homework papers, books, journals or just anywhere she had a pencil and paper. Tailynn found extreme joy in helping others. You couldn't be around her and not feel some kinds of joy. It was impossible.

Tailynn leaves behind her Mother: Ashley Hawkins and Father: Wyatt Hawkins. Along with big sister Faith Hawkins and little brother Dylan Hawkins. She now joins her brother Aiden Hawkins, in waiting for the rest of us.

Grandparents:

Fathers side: Patrick Hawkins; Joyce Hawkins

Mothers side: James Hobbs ; Joyce Hobbs

“ Hey. I know I’m about 2 years late, but I’d just like to vocally pay some respects to an old friend. Tailynn was my best friend from 2nd to 5th grade before I lost contact with her. It was always nice seeing her and I wish I could get to know her again.

“ I remember in 5th grade Tailynn was one of the only people who would talk to me, though we lost communication, she was still a really good friend. I hope she’s resting in peace💕.

“ *I remember the day of the 8th grade dance, it has been a few months since we had talked. But as soon as Tailynn saw me, she instantly pulled me into a hug. At the dance, we had stuck right next to each other and if we had separated, it would only be for a minute. We couldn't stand being separated at the dance. She was so caring and sweet yet bold and passionate. I will forever miss her and love her. She has taught me so much within our short friendship.*

“ One of my greatest joys in life is being Tailynn's Aunt. I will forever cherish every smile, hug and memory that she and I shared. Especially the last couple of months. These handful of pictures are only a small glimpse of the moments that I have lived for. Her beautiful personality was the perfect combination of Ashley's compassion and kindness mixed with Wyatt's wit and sense of humor. I will miss her always.
