“ I just found out about Terry's passing. I am so sorry for you loss. I enjoyed collaborating with him. I appreciated his insights and perspective. He will be missed.

Margaret, I am Terry's brotherf Herb Vermaas I live in Salem, Illinois and I kept sending emails to Vermaas Family and never got a response. I thought to myself Terry do you really care about your brother and sister Debbie by not responding. Terry and I used to live in Omaha, Nebraska. The last time I saw him was 18 and a half years ago when he came up to Omaha on business and saw him at an Omaha Royals baseball game. I am really mad at his widow Sharron Vermaas and his surviving daugther Lauren for never informing me about his death. Not once. I am 72 years old I live in an Assisted Living Place and I love it here. I play the piano and have sung karaoke. My favorite singer, the greatest singer of his time Tony Bennett died earlier this year at age 97. Afr a magnificent 70 year career longer than any other peformer. When he sang I Left My Heart In San Francisco he made you leave your heart there with him. I have sung that song before. I wish Sharron and Lauren had the decency to inform me when he died. Its despicable that they didn't. My number is 618-548-8910m ext. 105 or email me at hervermaas@yahoo.com

Sharron and Lauren both knew my email address and I even gave them my phone numbers in Salem yet no one ever called. I am not happy about it at all. Mad as hell.

They should have had the decency to inform me.
