

Terry "Piney" Woods

October 11, 1966 - March 8, 2024

In Memoriam: Terry Woods (1966-2024)

It is with heavy hearts that we announce the passing of Terry Woods on March 8, 2024, at the age of 57. A loving husband, devoted father, cherished son, and dear friend, Terry left an indelible mark on the hearts of those who were fortunate enough to know him.

Terry was born on October 11, 1966, in Waco, TX. He graduated from Klein High School and received nine full-ride football scholarship offers. He chose the offer from Texas State (formally known as Southwest Texas). As a young boy, he accepted Christ as his Savior and carried that faith throughout his lifetime. From that day forward, he embarked on a journey filled with love, laughter, and a sense of adventure. He carried his tenacity into his battle with cancer, not once but twice. A celebration of his life will be held at 11:00 am on March 18th at Southwinds Baptist Church, 16811 FM 2920 Tomball TX 77377. He is survived by his beloved wife, Susan Woods, with whom he shared over 27 years of unwavering love and companionship. Together, they created a home filled with warmth, laughter, and the kind of love that withstands the test of time.

Terry's legacy extends to his four children, each a testament to his dedication as a father. He is survived by his son Max Woods and wife Rosalind, daughters Tatiana Crepinsek and husband Zane and their children Hazel and Harper, Peyton Moss and husband Kris, and Bailey Woods – all of whom carry with them the values instilled by their father – integrity, kindness, and an

unyielding commitment to family.

He is also survived by his parents, Joe and Sue Woods, who provided the foundation of love and support that shaped Terry into the remarkable person he became. Terry is also survived by his sisters: Teresa Johnson and husband Russell, and Tammy Edmonds and husband Tim; who share in the grief of losing a beloved brother but also hold dear the countless cherished memories of a lifetime spent together.

Terry was an avid outdoorsman. He enjoyed hunting, fishing, and taking the kids on golf cart rides. Going to garage sales became a treasure hunt, turning mundane items into tales of adventure.

Beyond the outdoors, he enjoyed laughing and playing games with his family. Whether sharing stories around the Sunday lunch table, offering words of wisdom, or lending a helping hand; Terry was known for his unsolicited advice. Terry also shared his love for giving back through Operation Christmas Child, where he participated in the heartwarming tradition of preparing gift-filled shoeboxes for children in need around the world. His commitment to spreading joy reflected his compassionate and generous spirit.

The family vacation spot, aptly named "The Barn," was the perfect place to relax and became a backdrop for countless memories—memories of times spent together, the good, the bad, and the ugly.

As we mourn his physical absence, we find solace in the belief that Terry's soul now resides in a place of eternal peace and joy. May the memories of his love and the moments we shared bring comfort to all who grieve his passing.

In lieu of flowers, the family kindly requests that donations be made to Southwinds Baptist Church Operation Christmas Child ministry in Terry's memory.

“ I met the Woods family in 2016 through a homeschool group. I initially met Susan and Peyton at our monthly get-togethers but it didn't take long to fall in love with all of the Woods and Edmonds families. I will always be grateful for Terry's friendship with both Tim and me and for his willingness to take really long drives with Tim to check on property, or so they said. He will be severely missed. So glad we will see you again one day!

“ A very special relationship with Terry and the “Woods” clan began many years ago working together for Operation Christmas. Terry and I shared lunches and a great friendship. We didn't loose him, because we absolutely know where he is. Blessed Assurance!!

“ I also met Terry through the Baptist Student Union at Lamar. One of the best memories of my life was the mission trip I went on with Terry and a group from our BSU. We ministered in downtown San Antonio for our Spring Break and shared Jesus and food with homeless people. Terry never met a stranger and we had the best time in the world just loving people and loving each other. I don't know if I've ever laughed that much. Terry made ministry fun, he was such a life giver. I hate that I lost touch with him. To Terry's wife and children that I never had the opportunity to meet, please know that your husband/dad impacted my life in such a powerful way and I can't wait to hug his neck when we get to heaven. I'm praying for you and I'm so sorry for your loss.

“ I met Terry around 1986-1987 at the Lamar University Baptist Student Union. He had an amazing spirit and a wicked sense of humor. He could tell a story and make you laugh until you cried. As life happened we lost touch for a while, but had reconnected about 3 years ago. I will miss my friend, but I know I will see him again. My heartfelt prayers go out to his family.

*Much love,
Jerrie Franklin Muriel*
