“ *Arlene and Calain,
When I picked up Lavender from Tonya's last Tuesday, I had no idea that this was the last time that I would see her on this earth. I will miss her greatly, but I know that you miss her even more. May God comfort you and give you peace. I will never forget such a talented, devoted caregiver for humans and animals. It has been a privilege to know her over the years. We have all been blessed by her life.

Arlene, I am saddened to learn of this loss. I too lost my oldest son back in 1980 so I know a little of the sorrow you as a parent feel.

Just know that my sympathies are with you.
