“ *My thoughts and prayers are with your family. Although I didn't know Vonnie Jo, my mother, Rowena Cella Poole, spoke of her and the Pecht triplets and their friendship while attending Jeff Davis High School in Houston. In later years she was pleased to find out that she was even distantly related to the Pechts through her maternal great uncle, Lucian Arto. God's blessings as he provides you with many memories of your loved one.*
