“ *One of the privileges of my life was to be introduced, at a kitchen party, at the Brown's house, to Ann and Wayne. The music that I had a chance to share in, soul feeding, blues healing. What I/we take for granted is that there will always be another time. Well the last time with your Dad was like the first. All out, fun filled love. I truly am sorry for your families loss. A force of nature, an instrument of love, has joined the Lord's band. Take care.*

“ Ann and Family.
I was very sad to hear of Wayne's passing. I have fond memories of you and Wayne playing hockey on the lake and although you both were a bit older than a lot of us that were playing, you both would let us join your game, or you would always play with us...those are days I cherish.
As well as you both playing in the choir at the Sacred Heart Church at Sunday Mass.
In later years whenever I would cross paths with Wayne, he was always pleasant and great to chat with and play catch up.
I send deepest condolences from all The Gladwin Family and wish you all comfort in the fond memories of Wayne. May he Rest in Peace

“ Ann, Amy, and Dave and family, sending my love to you all. Wayne was an amazing swim dad! I have many memories of him at the pool - always so kind and approachable. It was easy to see how much he loved you, Amy. And, I can only imagine how much fun it was for your kids to have him as a grandfather!

“ Dear Ann, Amy, Dave, and all your family,
Dan and I are so sorry to hear of Wayne's death. I remember what a great Trojan swim team Dad he was. I especially remember how he helped with a Florida swim camp where he drove Amy and her friends (including our Stephanie) round and about between swim events. I felt the swimmers were so well cared for when Wayne was there.
With love and deepest sympathy

“ Ann, Amy and family,
I am very sorry to hear about Wayne passing. When I think of Wayne I think of his big beautiful smile. He used to throw Adam the farthest distance in Mary's pool and he loved it.
Mark loved having Wayne as his bus driver. He missed him terribly when he went on vacation to Texas. I hope your memories give you comfort. Sending warm thoughts and hugs.

“ Dearest Ann and family;
I was heartbroken to hear of Wayne's passing. He was such a kind, loving, beautiful person. I am so blessed to have known him and be his friend. I'll never forget his friendly voice when he'd phone and say "Top of the mornin to you" And, our little jokes about football. He was truly very special and made friends with everyone he met. He'll be missed but never forgotten. May your faith be with you during this time. God bless and prayers to you all. Love from Tracy Francis.
