“ *The Holidays won't be the same around the neighborhood without Weldon setting off his cannon. Whether it was the 4th of July, Christmas 🎄 or New Years, you knew that cannon was going to go "BOOM" sometime on that day. He will be missed.*

Weldon and I attended school together in Brenham, I remember going over to his house on weekends , Since I lived out in the country I always thought it was so cool to live in town like Weldon did, We would ride our Bikes all over town , Then his Grandmother would always have lunch ready for us when we got back to the house, God Bless his Family I will keep you all in my prayers.
