

## Wendy Sirey

May 11, 1971 - February 3, 2022

Our beautiful Wendy Lynn Sirey passed away after a fighting prolonged illnesses on February 3rd, 2022. She passed in peace in her home surrounded by her loving family, her mother Cindy, son Chance and daughter-in-law Alyssa. She is proceeded in death by daughter Krystal, son Chase, husband Ronald and father John.

Wendy was born on May 11th, 1971 to her parents Cindy Mason and John Laywell. She was raised in a family with lots of love and unity alongside her brother Chris. Wendy grew up reserved yet boisterous, a memorable smile with a laugh that could light up an entire room. She went on to have 3 beautiful with then husband Ronald Sirey children: Krystal Marie Sirey, Chase William Sirey, Chance William Sirey and all born in Houston, Texas.

After the sudden loss of Krystal, Wendy kept her motherly love and strength alive through her sons. She supported and loved her sons through every milestone of their lives. She even later gained a daughter in law with a heart as big as her own, Alyssa Marie Guzman. Wendy screamed the loudest at football games, she pushed lawnmowers across yards with all her strength, enjoyed quality time through mani-pedis, and made dinner every night with love as the main ingredient. Wendy loved her fur babies Smokey and Bella Sirey as if they were some of her own. Her pampered pups showcased the warmth she radiated daily. After the tragic loss of Chase, she remained full of

kindness. A shoulder to cry on, an ear to listen, arms that hugged the sadness away. Even up until her final days Wendy dearly treasured her family, both those who lived in memories and those she shared her present time with.

“When we lose someone we love we must learn not to live without them, but to live with the love they left behind”

“ I am so sorry to hear of Wendy’s passing. I remember as a child, she would bring Chase and Chance to Margaret Neal’s house (their babysitter for several years). Wendy was sweet...I remember her bringing Chase McDonalds breakfast many times. I got close to Chase and Chance as a child and they were almost like brothers to me. I haven’t seen the family in decades but I will always remember them. ❤️
