“ *Well Dr D there's just to many memories to put in writing, but I promise everyone of them are good ones. I thank you for guiding me into a medical career that was amazing. I know God has you flying around up there in heaven because He knows how being airborne make you happy. I'll join you soon and we can have a long chat.*

Kent Prather - November 15, 2019 at 10:03 PM

“ *We were saddened to hear of Dr. Dunnagan's death. We have the fondest memories of his gentle wit and kindness. Our love to you, Willa, and the rest of your family.*
Butch and Cindy Edwards
Burnet, Texas
