Bill Kett enjoyed life. He was retired from the military as well as from Garrett Aviation. He was a loving husband, father, grandfather and great grandfather. He loved to travel - within the past year, he visited Germany and went on a 21 day cruise to various countries. Dancing was a big part of his life and he was excellent. No matter what the music, he found a way to two step. The serious side of Bill was rarely seen as he always looked to the positive side of life and could make you laugh at any time. He loved children and children loved him, even if they didn't know him. He was a story teller and loved joking with everyone. His age did not slow him down from parasailing to snorkeling, to

scuba diving, to ziplining to Segways, all within the past year. He truly lived his life to the fullest and touched the lives of so many. He will be dearly missed by All!
