“ Francine, we are so sorry to hear of Bill's passing. He was such a sweet guy and really a "softie". Underneath it all, he was just a big ol' bear. We love you and will always be here for you. Our condolences to all of your family.

“ It is a great loss to hear of Bill's passing. For those of us who knew the real Bill, we know he was really a big "softy" even though he walked tall and had a loud bark. Bill was a wonderful co-worker during our time together at TSA and good friend after
