“ *Bobby loved the Astros, as did my brother and I. Bobby took us to many baseball games at the old Astrodome...always taking care of us like the “big brother” he was. He was a much-loved member of our family, making family events better...and always funnier.*

Bobby loved life and our sister, Shirley. They were a life-long couple who are now together forever. While we miss you, Bobby, we know you’re together with Shirley, exactly where you want to be.
