“ *I am so sorry to hear about Billy. I don't know if you remember me. Nicki Moody. My Daddy was H.T. Moody, he and Buck were cousins. We lived right by the college. I just found this on FB. I was just thinking of you all just the other day. But I had not forgotten you. Love to you all.*

“ I had the pleasure and privilege of knowing Mr. and Mrs. Pace for over a year as they are part of my DaVita family. We would go in together to have dialysis and we often shared conversations and many laughs together. He was a very good person and I was glad to call him a friend. We miss him a lot and we pray that he is in Heaven waiting for the day to be reunited with Mrs. Pace. Our deepest condolences to his family on this great loss.
