

William Steven Woody

October 30, 2014

William Steven Woody, a resident of Spring, Texas, passed from this life into the next on Thursday, October 30, 2014, at Memorial Hermann Northeast Hospital in Humble.

Steve was born in Sheffield, Alabama on October 12, 1951 to William Jasper Woody and Hilda Rose Woody.

He is survived by his wife, Ann Woody; son and daughter-in-law, Christopher and Lisa Woody of Texas; a brother, sister, and their spouses: Larry and Sharry Woody of Mississippi and Charles and Linda Woody Woodland of Nevada. He is also survived by many nephews, nieces, and cousins.

As a husband, Steve remained faithfully committed to his wife for 42 years. As a father, he proudly reared one son. As a businessman, Steve worked tirelessly to provide a better life for his family. As a Vietnam Veteran, he bravely served his country and was honorably discharged on May 10, 1977.

As a friend, his true companions were few, but for those who did have the honor of calling him a friend, Steve remained fiercely loyal.

Steve was an avid fan of the Alabama Crimson Tide football team and considered the best Saturdays the ones spent with family and friends cheering "Roll Tide!" He was an animal lover at heart, having owned and trained German Shepherd Dogs. When he was able, he loved playing basketball and football outside with his son and anyone who would listen to instructions on how to get better.

Some knew Steve as a fiery salesman who worked with an impossibly high

expectation for himself and others. Some knew him for the quiet, private life he led at home. Either way, to know what Steve believed and how he felt, one only need to watch what he did. His life was short on words, long on hard work and commitment.

He will be remembered well and often. The family will gladly receive flowers, but also encourage alternative expressions of support to be made in the form of donations to the American Diabetes Association or the American Heart Association.
