

## Winona Pearl Hunt

August 13, 2016

We lost a very special and important woman, friend, wife, mother, and nana. She was one of a kind soul. She was always so full of life and happiness even on her worst days. She was and always will be a role model. She was funny, sarcastic, beautiful, and not to mention optimistic. She enjoyed Elvis music, but we all knew that she really loved listening to Kid Rock. She knew all of his songs and would sing every lyric. It is hard to come to a realization that she is not here with us anymore. We will all miss talking with her, so we could hear that sweet raspy voice of hers and how she dragged on her S's. We will really miss hearing her famous "Winona laugh". It warmed our hearts every time we heard it. She took a piece of all of our hearts to Heaven with her, so she can share them with Jesus and remember us as well. She will always be remembered as a person who was ready for anything the world had to throw at her. Heaven get ready for Winona Pearl Hunt because her bombshell personality will give you a run for your money. We will love you always, and you will never be forgotten.
