“ Miss you Yvonne and that grin you always had and how you laughed at the stupidest things and I couldn't help but laugh. We didn't get to see you too often once you moved to Texas so it was always a blessing to see you at a family reunion or rare visit. I remember one time, Gordan and I took you to the Denver airport to go home to Texas and after we said our goodbyes, Gordan and I started walking off, I had to turn back and you looked at me with a surprised look and I told you I loved you because I didn't know when I would see you again. Now you're gone and I think back to then. I love you sis and will miss you.

“ Yvonne will be missed greatly by those who knew and loved her. She was my best friend for 30 years. We had so much fun every time we were together. We would go country dancing she was always the first one to get asked to dance. She gave me a going away party when I left Houston to move to Fort Worth, the cake had real flowers on it and it was so beautiful, she hosted a baby shower for my sister, attended my MBA graduation and attended my mother's funeral. She was a true and wonderful friend and a beautiful person inside and out. I still cannot believe she is gone. Me, her and Charla was suppose to grow old together like the Golden girls! Miss and love you!
