Yvonne married Gene on March 28th. 1942 and began their devoted journey together that took them from West Virginia to Texas. It was during this journey that they raised their family and established roots in their community and

careers.

Yvonne ended her working career when she retired from the Allied Banking System in 1989. After retirement, she and Gene moved after 17 years in Spring to reside at Lake Walden in Conroe for 10 years, Prescott, Arizona for three years, returning to Spring, Texas to make their permanent home.

Yvonne enjoyed reading, sewing and decorating her home; but, she most enjoyed gatherings of her family and friends. She loved entertaining with Gene in their home and she missed that the most. She was a great story teller and loved to share with friends and family the fun times, places she had been and experiences she had with Gene, especially their dancing. She was married for 66 years to the love of her life.

Family and friends all admired the fact that at 92 years old, she lived in her own apartment and cherished her independence. She was her own woman. Yvonne was an amazing mother and grandmother, having given life, unconditional love and a graceful lead on how to share it forward to the next generation. A life well lived. She is enormously loved will be missed

The Addison family and staff at Addison Funeral Home extend their condolences to Yvonne's family.
